

Service Distinguished Y-Teens

Pam Carrel, Pixie Martin, advisor, and Katy Mellen prepare for flea market.

Under the guidance of president, Pam Carrel, and advisor, Miss Sausen, Y-Teens had a successful and exciting year. For the first time a Sex Education Program was conducted along with the annual meetings such as the Father-Daughter Square Dance and the Apple Polishing Tea. The Tea is a long time favorite used to gain brownie points before third quarter grades. The club participated in two service projects; collecting candy at Halloween for the Shriner's Hospital, and escorting underprivileged children to Como Park Zoo. An eventful year came to an end with the traditional Senior farewell overnight and breakfast.
